HOW TO READ THIS SHEET

The answer first: the leader's program number large, the rest of the consensus in order behind it. The small line under each race is every factor's top three by program number (WGT our proprietary handicap weight · SPD our proprietary speed figure).

Syndicate lines added after the desk filed. The Syndicate's readers filed their reads at 11:04 AM ET, November 16, 2026; the Syndicate line under each race was added to this edition after filing. The consensus above is unchanged from the morning edition. AI-produced · UNPROVEN · paper tracking only.
